

St. John's Hot Lunch Program

Dear Parents,

The St. John's Hot Lunch Program would like to welcome everyone back to school! I especially want to welcome all the new Pre-Kindergartners, Kindergartners, and new students to St. John's who will be eating with us for the first time. Here at St. John's we encourage each student to eat a good and healthy lunch so our minds and bodies have the energy to work and play through the day.

The price for a hot lunch is \$1.50 per student this includes milk. If your child takes extra milk or has milk with their cold lunch that cost is \$.25 per carton. In paying for your lunches I would like each family to purchase their tickets on a monthly basis. Example: In August - September there are 24 days of hot lunch available, if you have two children you would purchase 48 lunches. If your child(ren) did not eat hot lunch everyday, the remaining lunches would carry over to October. All lunches will be kept on record according to each family.

The Hot Lunch Program is a regulated program by the state of Minnesota. Our guidelines state that a student who is out of lunch tickets may "borrow" lunches, if they are too many lunches behind I will notify you and withhold lunch from your child(ren). I ask you to PLEASE keep current with your child's lunches so that the above situation does not occur. Watch for your family's lunch statement in the Tuesday school envelope. Please pay your bill according to your statement.

Adults and all children who do not attend school are also welcome to come and eat lunch with their children, or grandchildren and the meal costs \$2.90. To make your reservation, please call the school office by 9 AM.

*If anyone has any questions about the hot lunch program, please feel free to contact me at School @ 763-420-2426 or Home @ 763-420-2734.

Sincerely,
Lynn Schutte,
Hot Lunch Program
